RE: Ice Floor Covers

Dear Ladies and Gentleman,

We are pleased to announce ENGO as our European Dealer and we look forward to working with you and the ENGO group. ENGO GmbH will have access to our product for sales in the ice arena industry with primary focus in Germany, Austria, Switzerland, and Italy.

We have been manufacturing Ice Floor Covers for over 15 years with well in excess of 200 floors sold globally. Our distributors sell our patented waffle bottom floor product marketed with trade names such as **ArenaDeck** and **ProDeck**, across the globe.

We feel that this will be a mutually beneficial arrangement given our industry proven Ice Floor Cover and ENGO's ice arena product line, experience, and market knowledge.

Best regards,

Mike Bilodeau, Arena Products Manager
